25X1 1. On 25 March 1952 the Ministry of National Defense drafted medical students into the Polish Army. This occurred in the county of Brodnica in the Poznan wojewodztwo. [redacted]

called up for special six-week courses after which they were to remain in the army more or less permanently.

2. The draft commission of the M.O.N. (National Defense Ministry) rejected those students who formerly belonged to the AK, NSZ, IM, etc. Also rejected were those opposed to the regime or who have relatives antagonistic to the present order.
